Hi Renee and Tony,

I hope you are both well given this topsy turvy time we are in. I am sending you both my best.

I need to ask to have logged and open a homeless encampment location across the street from 5199 W PICKFORD ST, right off Cochran and Venice?

This is in Vince's grid and I am including him here also.

Thanks!

Liz

Hi All,

I am concerned about the growing number of makeshift tents and other encampments on the island space at Venice Blvd and Cochran Ave. I went out today for the first time in a week and I noticed the area has expanded. As a senior with underlying preconditions, I am concerned about being able to walk around the block to get exercise since I can't go to the gym. It is difficult to keep adequate social distancing when the area is increasing. What is being done to address this issue? I would appreciate a response from whoever is able to do so.

Sincerely,

Valaida Gory, Cochran Ave Block Club Member and former MINC Board Member
